- upgrade 10x10 to 12x12 Malibu Flushmount - 600

The Process

We start with your favorite images and incorporate our selections as well to balance out the design. The design will then be posted online for you to view. At this time you may swap out images or add/remove spreads to make your first family heirloom.

Once the you approve the design we will place the order and production time takes 6-8 weeks. The album will arrive on your doorstep or you may arrange to pick it up at the studio.
